

A Fantasy Come True!

Amaretto Swirl Fudge, Chocolate Raspberry Truffles, and Giant Sugar cookies...have we stumbled into an adventure straight from Willy Wonka's chocolate factory?

If you're on the search for the most delightfully decadent, premium desserts that have been handed down generation after generation, then Nona's Sweets, located at The Terraces at University Place is a dream come true for your sweetest tooth.

The idea for Nona's Sweets started at home, in the kitchen of Nick and Jo-Ann Morlando along with their daughter Dominica Clementi. The Morlandos started baking cakes and desserts for friends and family. Soon, the delectable edibles became the "talk of the town" and strangers were asking them to bake cakes for functions such as birthdays, baby showers, and weddings. Then in 2004, from what started simply by word-of-mouth grew into a full-retail business which offers over 100 temptations ready to go.

Offering treats such as morning pastries, coffee service, cookies, cupcakes and other Italian goodies; everything at Nona's has been prepared right at the bakery. "We use only the freshest ingredients, traditional recipes and old-fashioned baking", states Dominica.

Nona's is more than just fabulous desserts: they participate in several fundraisers throughout the year. During the month of October, Nona's Sweets is offering Pink Ribbon Cookies in honor of Breast Cancer Awareness. All proceeds from the cookies will be donated to the American Cancer Society.

For the third year, Nona's will be participating in a national fundraiser- "Cancer Care's Cupcakes for a Cause". Cupcakes sold between October 20th-26th will benefit a program that provides support to children and their families whom are affected by cancer. Supporting two great causes this October has never tasted so good!

Want to share your love of Nona's with someone miles away? Is your friend celebrating a big achievement, or perhaps

your coworker has a case of the "Mondays"? Then Nona's Mail Order Service is just the thing to put a smile on their face! All goodies are baked and shipped on the same day to ensure the freshest possible taste. They come wrapped in a colorful gift package and delivery is available to anyone in the United States.

Starting this fall, Nona's will feature an upgraded website, offering a bigger selection of mail-order goodies. They will also be revamping their beverage selection providing more flavored and iced coffees and espressos. A new cupcake bar will feature mouth-watering cupcakes, icings and toppings for customers wishing to customize their own cupcakes.

Wedding cakes are a big part of Nona's Sweets. They will be featured this fall on Platinum Weddings on the WE network, for serving Carolina Panther Thomas Davis and his bride Kelly, so check your local listings to catch this exciting episode.

You don't need a Golden Ticket from Willy Wonka, Nona's is located at 9601 N. Tryon Street, Suite H. This is a fantasy come true!
